

	<h1>Waste Management Policy</h1>	Doc Ref:	QHSE 1.2.1-11
		Revision:	0
		Date Prepared:	January 2014
		Page:	1 of 1

S H Structures Ltd are a privately- owned company specialising in the design, supply, fabrication and installation of complex steel structures operating from office and factory premises in Sherburn-in-Elmet in North Yorkshire.

S H Structures Ltd recognises the need to operate the business in a manner that reflects good environmental management. The company are aware of the environmental impacts of its operations and aims to develop, maintain and continually improve its operating systems and procedures to minimise the impact on both the local and global environment.

The company will seek to comply with all relevant current environmental legislation, codes of practice and other applicable regulatory controls.

The aims of this policy and the procedures to put them into practise will be set out within the framework of the **S H Structures Ltd** Environmental Management System.

The company are committed to providing the necessary financial support, personnel resources and training to ensure the aims of this policy are fulfilled.

The company will set out to, wherever practicable, to reduce the unnecessary use of raw materials, promote the reuse of products and encourage and enable recycling, composting or energy recovery.

We will reduce landfill waste and when disposal is the only option we will dispose of materials in an environmentally responsible manner.

We recognize the impact of the transport, treatment and disposal of resources and subsequent wastes on our local and global environment, and on our carbon footprint.

We are committed to reducing this impact through the continued improvement of our Recycling and Waste Management practices, good procurement practice and the promotion of sustainable behaviour within our organization.

The company will communicate the Waste Management Policy to all company personnel direct or indirect and will also be freely available to customers and the general public.

S J Holden
Managing Director
 19th January 2022

This policy will be communicated within SH Structures and to all interested parties
